Guiding Question:

Where, when, and how does the teaching occur in an online course?

Tips of the Trade

For Student Engagement:	For Instructor Engagement
<ul style="list-style-type: none">● Promote their Engagement● Reward their Engagement● Question their Engagement● Choices Increase their Engagement● Collaboration Increases their Engagement	<ul style="list-style-type: none">● Set Expectations around your Engagement● Vary your Engagement● Expand your Engagement● Focus your Engagement● Enliven your Engagement

You promote active student engagement when you build in interaction, promote ongoing conversation and sustain visibility within your online courses.

&

Motivate your students to participate when you:

- Reward success,
- Acknowledge failure
- Give students the opportunities to reflect upon multiple writing situations.
